

EB-W05

DATASHEET / BROCHURE

For home or work, this easy-to-use, 3,300-lumen WXGA projector with optional Wi-Fi can create a 320-inch display.

Do you love the big-screen experience, but also need a projector that will deliver striking presentations? This WXGA projector with 3,300 lumens of brightness and 3LCD technology has the tools for the job. Designed with portability in mind, it's easy to transport and set up. It's competitive too, with a fantastic range of features and a long lamp life providing 15 years' worth of entertainment¹.

Bigger is better

Whether you're watching blockbusters or delivering a presentation, this projector can achieve an impressive 320-inch display. It's great quality too, with 3LCD technology that makes the display up to three times brighter than competitor products². In addition to its bright and vivid colours, the 15,000:1 contrast ratio produces defined shadows and deep blacks. From family and friends to business colleagues and clients, it's sure to get everyone's attention.

High-quality, bright images

Even in bright rooms, this powerful yet affordable WXGA projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,300 lumens.

Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for your projection needs? With this model's long-lasting lamp light source, you could watch a film every day for 15 years¹.

Stress-free set up

Here's a projector that's designed with portability and quick set up in mind. Position the image with keystone correction and access content simply with the HDMI inputs. Thanks to the optional ELPAP10 adapter, it offers Wi-Fi connectivity allowing you to share content from a smart device using the iProjection app.
