HP Laserlet M3035 MFP and M3035xs MFP

Empower workteams with a reliable HP black-and-white MFP that simplifies workflows and boosts productivity.

Product pointers

- Enhancing workteam productivity is a reality with this fast, flexible HP MFP. Enable more efficient office workflows with print, copy and send-to capabilities in one device, including embedded send-to-email/network folder functionality.
- Streamline processes and achieve goals more quickly with a device that's radically simple to use and maintain. This HP MFP's new user interface intuitively walks users through any process, and reliable HP printing supplies reduce interruptions.
- Increase your MFP's capabilities with access to more market-leading solutions. In addition, extra forms, fonts, bar code printing and document-capture and job-accounting solutions with added security enable you to do more with your MFP.
- Device uptime is paramount to your workgroup's success. That's why we've designed this reliable HP MFP and its print cartridge so that you get the dependable performance you expect from a HP LaserJet with the benefit of additional functionality.
